

Canyoning season is under way now, we are running Bruar and Calvine as well as Cliff Jumping.

Here in Pitlochry, the heart of Highland Perthshire, we are blessed with stunning surrounding countryside and we believe in using it to its full potential. We arrange activities for families, stag, hen, large groups, couples, individuals and corporate groups. Browse the website... then **do something different.**

Please feel free to give us a buzz out of opening hours. Calls taken evening and early morning!
