

Here in the heart of Highland Perthshire we are blessed with beautiful grounds and surrounding countryside and we believe in using them to their full potential.

Obviously we have our [extensive list of fun filled activities to choose from but when your requirements are for groups of 10 or more](#) then we like to listen to your needs and tailor a package to suit.

Over and above our list of activities we also specialise in organizing and running Team Challenges. For these fun events the group will be split down into a number of teams dependent on the size of the group. These teams will then be set a series of tasks to complete within a certain timescale and with varying constraints. The teams will be competing against each other on a Round Robin basis and will be scored accordingly at the end of each task. At the end of the day the scores will be collected and a prize giving will take place.

We run half day, full day and 2 day events and can incorporate the team challenge with some of the many activities we have on offer.
